Re: Notice of Oral Ex Parte Presentation Regarding Docket Nos. ET 04-186 & 02-380

Dear Ms. Dortch:

This is to report that yesterday, August 21, 2008, I had a short conversation with Chairman Kevin Martin regarding the above-referenced proceeding. During the conversation, I mentioned the August 20, 2008 filing of a report by Charles L. Jackson, Dorothy Robyn, and Coleman Bazelon entitled "Unlicensed Use of the TV White Space: Wasteful and Harmful." A copy of that report is included with this filing.

In addition, during this conversation, I reiterated the position in Qualcomm's filings in these proceedings that the Commission should license and auction the TV White Space.

Respectfully,

Michael E. Meece
